

KAMLA NEHRU HR. SEC. SCHOOL (CBSE)

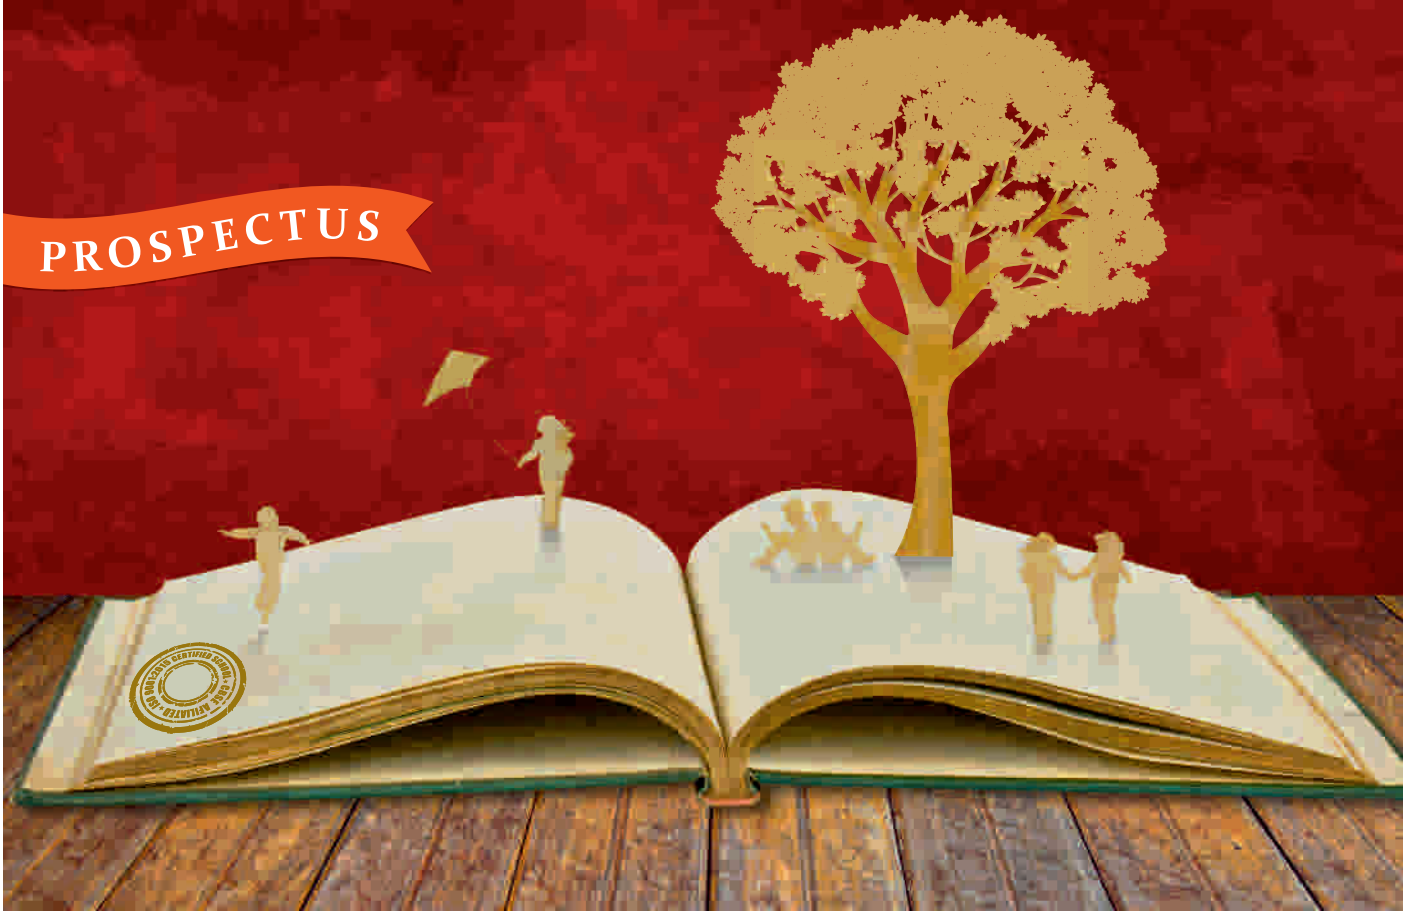

Imparting Education, Inculcating Values, Building Lives

SUNSHINE KINDERGARTEN

Blossoming Hearts, Developing Minds, Strengthening Foundations

*Celebrating 31 Years of
Excellence in Imparting Education*

PROSPECTUS

Introduction

Kamla Nehru Public School was established in 1987, under the Educational Group “**Kamla Nagar Shikshan Sanstha**” registered with the Government of Madhya Pradesh in the same year. The school started its journey with the Primary Classes and in due course of time and dedicated efforts the school evolved into full-fledged Higher Secondary School. And now **Kamla Nehru Higher Secondary School** is a ISO 9001:2015 Certified school and affiliated to Central Board of Secondary Education (Affiliation Number: 1030254) since 2006 and has obtained NOC from State Govt. in 2005. KNHSS has grown by leaps and bounds to take its place among the top schools in Bhopal. KNHSS is a co-educational school which offers classes from nursery upwards, providing a blend of academic, sporting, cultural, and artistic activities, which contributes to giving our students a world-class education with lifelong benefits.

The school follows CBSE curriculum and make use of modern teaching techniques achieved through smart classrooms, laboratories and state-of-the-art facilities and systems. The school has adopted the play-way method of instruction, with child-oriented system. Teaching and learning happens in a caring and purposeful environment. We believe every child is unique and needs individual attention to help channelize his/her energies. Our effective teaching process with a dedicated excellent faculty chosen for their strong character besides academic excellence inspires confidence, perfection, and honesty in the students by personal example.

We thus strive to maintain a high educational standard with traditional values.

SUNSHINE KINDERGARTEN

"Rays of Knowledge"

We endeavor to educate our little loved ones in a manner that would fill the sunshine of happiness and knowledge in their lives. By slowly empowering our children through knowledge, right attitude, skill and mental & physical dexterity, we teach them to carve themselves into a niche in society. We feel that knowledge is the best source of energy for a good human being. We gradually evolve our students to become mature, knowledgeable and responsible members of society.

School Vision

To transmute students into worthy global citizens, who bring joy and help to their country, city and family through their exemplary human values and knowledge-turned-skills.

Imparting result oriented quality education by implementing innovative methods & modern technologies from Primary to Higher Secondary.

Our Motto

तमसो मा ज्योतिर्गमय

Knowledge is the source of education. We educate our students in a comprehensive manner. Our students are enriched with the lofty Indian traditions of self-dependence, speaking the truth, respecting elders, patriotism, punctuality, dignity of labour and regularity. These enliven the excellent academic and intellectual training they receive.

Mission

1

To help students achieve academic excellence in every possible way.

2

To build self-worth in students so that they can recognize their latent talents and courageously chart out the course of their lives in the fiercely competitive present times.

3

To offer an integrated educational program that enriches student's physical, mental and emotional aspects.

4

To encourage students to develop a sound character, good manners and a sense of responsibility about their duty to the nation, family and self.

5

To provide an ideal ambience for overall development of students.

6

To inculcate a spirit of selfless service in students so that they freely share their knowledge, skills and resources to help needy people, irrespective of their religion, nationality, caste, creed or sex.

7

To inculcate a spirit of sportsmanship in students, so that they learn to face the vicissitudes of life with equal-mindedness.

8

To enable students to appreciate the fact that they have received education through the combined sacrifice of their teachers, parents and society, and thus they should have gratitude for these noble human beings.

9

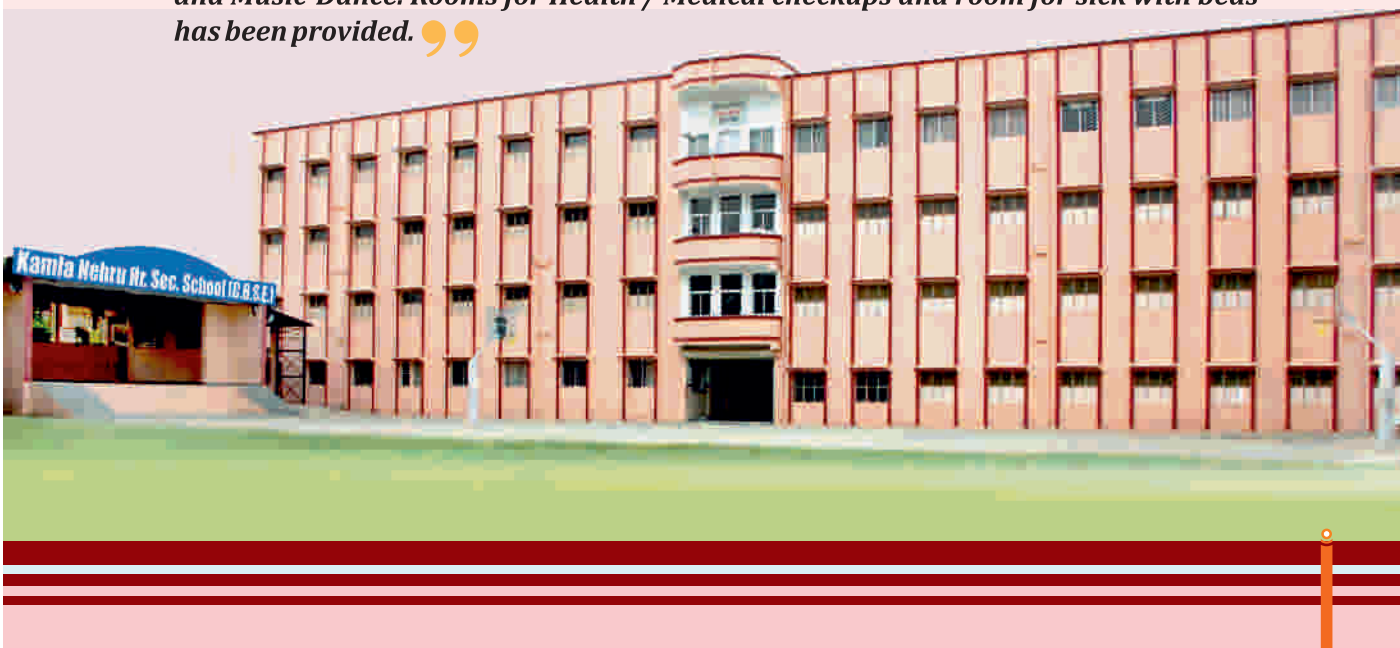

To teach the students the celebration of the power and glory of Indian culture in their own lives.

Salient Features

1. Interactive English Language Lab.
2. Smart Classrooms with TeachNext Programme.
3. A big stage to enhance the acting talent of students.
4. A huge Library + E-library & Activity room.
5. Two big playgrounds for playing football, basketball, volleyball, kho-kho, kabbadi, badminton, athletics, roller skating, cricket etc.
6. Kid's play area with Playstation, see-saw, swings, ladder and merry-go-rounds.
7. Modern computer labs with 75 computers (including new All-in-one computers).
8. Well equipped Physics, Chemistry, Biology, Maths, English Language & Social Science Labs.
9. Remedial classes for weak students.
10. Free special classes for meritorious students.
11. Bag-less schemes for pre-primary classes.
12. Separate girls common room.
13. Transport plying on all major city routes.
14. Buses equipped with CCTV cameras and Real Time GPS Tracking system.
15. CCTV cameras covering in and around the school premises.
16. The school building has lift facility with power backup for those who are sick, injured and physically challenged.
17. Educational trips to enhance student's knowledge in different fields.

Campus

“School is spread in 2 acres of land with 50 fully equipped modern classrooms (Smart Classrooms with LCD projectors, Digital White Boards and latest Promethean Boards); Composite Science, Physics, Biology, Chemistry, Mathematics Laboratories, and Computer Lab; Large Library of 800 sq.ft. area plus Reading Room of 400 sq.ft. area with 27,000 plus books, periodicals, dailies and magazines. Outdoor Sports: Football, Basketball, Volleyball, Cricket, Badminton, Roller Skating, and Indoor Games: Table Tennis, Carrom, Chess etc. Activities like Martial Arts, Yoga, Aerobics and Music-Dance. Rooms for Health / Medical checkups and room for sick with beds has been provided.”

Facilities

SMARTCLASS

Interactivity is a great feature that enhances the interest level of the students in their class leading to more number of hands raised to give answer. The School with Next Education India has installed TeachNext in 28 Classroom and converted it into Smart Class. TeachNext contains a comprehensive curriculum of guided learning sequences that include applet activities, multimedia presentations, practice exercises, and games.

LIBRARY

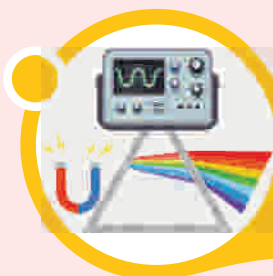

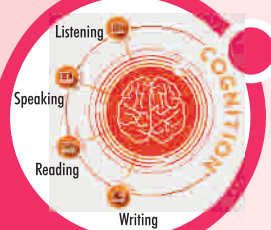

The school has a large well equipped library of 1440sq.ft. area which include books, periodicals, dailies, magazines and computers growing with every passing year along with the school. The school has a well stocked library with around 27000 plus books, 20 plus magazines, periodicals and dailies. The library also provides students and teachers with a range of reference books, encyclopaedia and an E-Library with internet facilities to enrich their classroom activities and knowledge.

“ LABORATORIES

Children are able to retain the knowledge for longer when they experience and feel the experiments, research, and teaching in front of their eyes. When they observe various things and carry out different experiments and research, their reasoning skills are honed and they start thinking deeply on those theories and concepts. Our school combines classroom teaching with laboratory experiments to ensure that the students grasp each and every concept thoroughly.

ENGLISH LANGUAGE LAB

Language is a medium of communication. Students from various cultures feel hard to learn English and its proficiency. The language lab is the solution and need of the hour to learn the English language. Our Language lab has the capability to cater 45 students simultaneously. The study room is equipped with electronic sound-reproduction devices, enabling students to hear model pronunciations of foreign languages.

PHYSICS LAB

The school has a well furnished Physics Laboratory and is equipped with variety of apparatus used to conduct all kinds of experiments.

CHEMISTRY LAB:

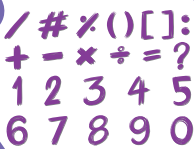

Science is a practical subject, teaching of which cannot be done only in theory form. Especially chemistry requires a well equipped and systematically arranged laboratory. Our school has a lavish chemistry lab with various scientific instruments and chemicals.

BIOLOGY LAB:

Biology is the study of life and its evolution, of organisms and their structures, functions, processes, and interactions with each other and with their environments. The school has a well-resourced, ventilated and spacious Biology Lab where the students work individually or in small groups on a question, problem or hypothesis.

MATHS LAB:

Mathematics Laboratory is a place where students can learn and explore mathematical concepts and verify mathematical facts and theorems through a variety of hands-on activities using different materials. We have state-of-art mathematics laboratory which offers Multiple Teaching and Learning Aids as well as a complete theme based ambience to help visualize and feel mathematics.

COMPUTER LAB:

The School has separate computer laboratories for kids and older children, with one-on-one access, which means there is one computer for each child. The school's computer lab has a dedicated broadband Internet connection for students to make them familiar with the Modern Digital Age. It has qualified and committed teachers to teach different classes at different levels i.e. Primary, Middle and Senior Secondary.

SOCIAL SCIENCE LAB:

In Kamla Nehru Hr. Sc. School, we have a spacious laboratory to make students understand social fabric and custom. Group of subjects concerned with Social Science are taught through models, charts and various modern techniques.

Transportation

The school runs buses and magic covering the entire city of Bhopal, and as per the norms laid down by the RTO department. School bus also has Female Attendant to ensure safety and comfort of girl students. The school also has installed tracking system (GPS system) in the buses to help parents to know the exact location of the bus at any given time. The buses are also fitted with high resolution wide angle cameras for surveillance. At the moment, the school runs two separate routes for Kindergarten students and Senior students.

Surveillance

The school premises (inside and outside) is under continuous surveillance. High definition CCTV cameras cover and monitor every part of the school premises- classrooms, laboratories, activity rooms, office, corridors, staircases, ground and area near the washrooms etc. This helps in classroom management and maintaining discipline effectively, helps in identifying intruders or offenders, helps in investigations, etc.

Elevator

The building has lift facility with power backup for those who are sick, injured and physically challenged.

Parent Junction

Our relationship with parents is crucial to the success of our students and, therefore, we consider parents as partners, giving importance to their involvement in the school's education process. School encourages a healthy communication between parents and teachers, through meeting sessions between parents, teachers and the principal where they can express their understanding and intimate insights into the needs of the child. The school is open to share concerns and grievances of parents, both for

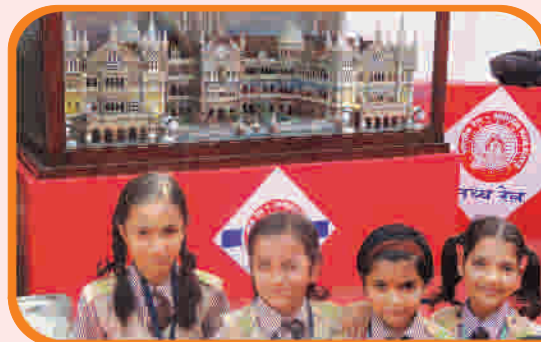

academic and non-academic enhancement. A regular and meaningful communication between the school and home is therefore, necessary and encouraged. A variety of opportunities are provided for close interaction with parents. They are:-

Parent Orientation Programme, Parents' Day, Mother's Day, Grand Parents' Day, Parent-Teacher Meet.

School Activities

EDUCATIONAL TRIP

We believe that students should be exposed to a variety of activities and field trips as it is an essential tool for hands-on learning. Educational school trips that form a part of the school curriculum are very valuable as they provide the students the opportunity of learning through travel, especially to places that they may not otherwise get to visit. School field trip is an effective educational activity for students that helps facilitate fast and efficient learning method. The school organises visits to a variety of cultural institutions, including art, natural history, and science museums, as well as theatres, zoos, and historical sites.

YOGA

Yoga at an early age encourages self-esteem and body awareness with a physical activity that's non-competitive. In addition, their concentration and sense of calmness and relaxation improves. Keeping in mind the need of inner peace school conducts Yoga classes on regular basis. The practice of the postures (asanas) strengthens the body and creates a feeling of well being. From the psychological view point, Yoga sharpens the intellect and aid in concentrations. In addition to that 3 (three) times meditation (at the start of the day, before lunch and before departure) is also done by all students & teachers.

MARTIAL ARTS (KARATE)

Martial Arts training promote values such as honesty, courtesy, loyalty, and cooperation which provide a supportive environment for learning and personal growth. The self-discipline and self-respect which Martial Arts develop, provides child with the skills and mind-set necessary to resist peer pressure.

SELF DEFENCE (SPECIALLY FOR GIRLS)

The main objective of self defence training is to equip the girl students with useful strategies to defend themselves from spontaneous or pre-mediated violence and abuse. In our school, girl students from classes I to XII are given compulsory training in Self defence.

MUSIC & BAND

The school offers Vocal and Instrumental Music classes for interested students. These classes are taken by well trained and qualified teachers. The Instrumental Music is further divided into Marching Band and Concert Band. School Marching Band practises and performs drills & parades outdoor which consists of students dressed in military styled uniforms. Whereas, the Concert Band practises and performs symphonic and orchestral recitals that are mostly performed indoors. School band is an excellent vehicle for teaching students a host of skills such as discipline, teamwork and the importance of following directions.

SOCIAL SERVICE

We help our students to understand their duties towards society and the nation. We encourage them to undertake services like helping a blind man cross a road, nursing the sick and the old, donate books, food & blood, take active part in the national scheme of afforestation, and help the nation in the removal of illiteracy. Other than this our students take out processions, organize seminars and perform street plays to awaken public opinion against social evils like superstition, blind faith, ignorance to illiterate, drug addiction, casteism, and dowry system.

National Cadet Corp (NCC)

The school has introduced NCC (Army Wing), which offers a wide spectrum of activities. Institutional training is paramount amongst these and it includes conduct of Annual Training Camps. Community Development is another area in which cadets have set an example by involving in various activities viz. adult literacy, anti-drug, anti-leprosy campaigns, planting of trees to conserve ecology etc.

SCOUT & GUIDE

The purpose of Scouting-Guiding is to develop the inherent potential of the young people by providing them a number of structured activities in order to make them physically, mentally, socially spiritually strong and useful citizen of the nation.

STUDENT CLUBS

Kamla Nehru Hr. Sec. School forms clubs to transmute students into worthy global citizens who may possess human values, knowledge turned skills and environmental education in present scenario. They are :- Aesthetic, Adolescence, Anti Human Harassment, CASH (Club Against Sexual Harassment), Community Service, Disaster Management, Educate Girl Child, Eco, Health and Yoga, Heritage, Information Technology, Literature, Photography, Science, Sports and Theatre Club.

Demo by National Disaster Response Force

MEDICAL CAMP

We emphasise on personal cleanliness, hygiene and good health. The school organises free medical and dental care camps on regular basis.

COOL CREATIVE HUNGAMA

Summer camp is an opportunity for children to be exposed to a full range of emotions and human experiences including homesickness, friendship, disagreements, team work, frustrations, jubilant success, and more. Kamla Nehru Hr. Sec. School has been organizing the Cool Creative Hungama - Summer Camp for last fourteen years and every year students from different schools participate enthusiastically in

various activities. Cool Creative Hungama offers a variety of activities such as Karate, Roller-Skating, Yoga, Football, Basketball, Volleyball, Badminton, Cricket, Instrumental and Vocal Music, Dance, Art & Craft and Computers. It provides children with the opportunity to try new activities.

SCHOOL CABINET

The School Cabinet has the posts of School Captain, Vice Captain, Sports and Cultural Secretary, Deputy Sports and Cultural Secretary, School Co-ordinator, Deputy Co-ordinator and the last four house Captain and Vice Captain. Other posts (Class-wise) include.

- 1) Discipline Secretary cum Monitor
- 2) Deputy Discipline Secretary cum Monitor
- 3) Education Secretary
- 4) Deputy Education Secretary

All members work hard to maintain discipline and academic standard throughout the year. Their teachers help and guide them when needed. The cabinet is chosen by a committee comprising of Principal, Co-ordinators and some other senior teachers.

Activities

Both the units provide different educative and co-curricular activities throughout the year.

- ◆ Dance (Classical & Western).
- ◆ Vocal Music.
- ◆ Songs & Poems.
- ◆ Patriotic song competitions.
- ◆ General Knowledge Quiz.
- ◆ Science Quiz.
- ◆ Debate.
- ◆ Speech.
- ◆ Science Exhibitions.
- ◆ Working and non-working models.
- ◆ Fancy dress competitions.
- ◆ Essay writing.
- ◆ Hand writing competitions (English & Hindi).
- ◆ Rakhi making.
- ◆ Embroidery, Craft & Art work.
- ◆ Stalls & Fair.
- ◆ Flag making.
- ◆ Mask making
- ◆ Decorate the cap & clay pot.
- ◆ Flower Decoration.
- ◆ Salad Decoration.
- ◆ Mehendi.
- ◆ Hand work.

CURRICULUM HIGHLIGHTS

Kamla Nehru Hr. Sec. School strictly follows the Syllabus approved by C.B.S.E. on the pattern and guidelines of N.C.E.R.T. The medium of instruction is English. Sports, Athletic, Social and Cultural programs are regular school activities. Music, Dance, Art & Craft and other socially useful productive works form an integral part of school curriculum. There is special emphasis on Computer Education, Instrumental & Vocal Music, Dance, Drawing, Craft and various sports that are taught by experts. School is going to tie-up with various Sports Authorities such as T.T. Nagar Stadium and Sports Authority of India (SAI) to provide better opportunities, training and exposure to the students.

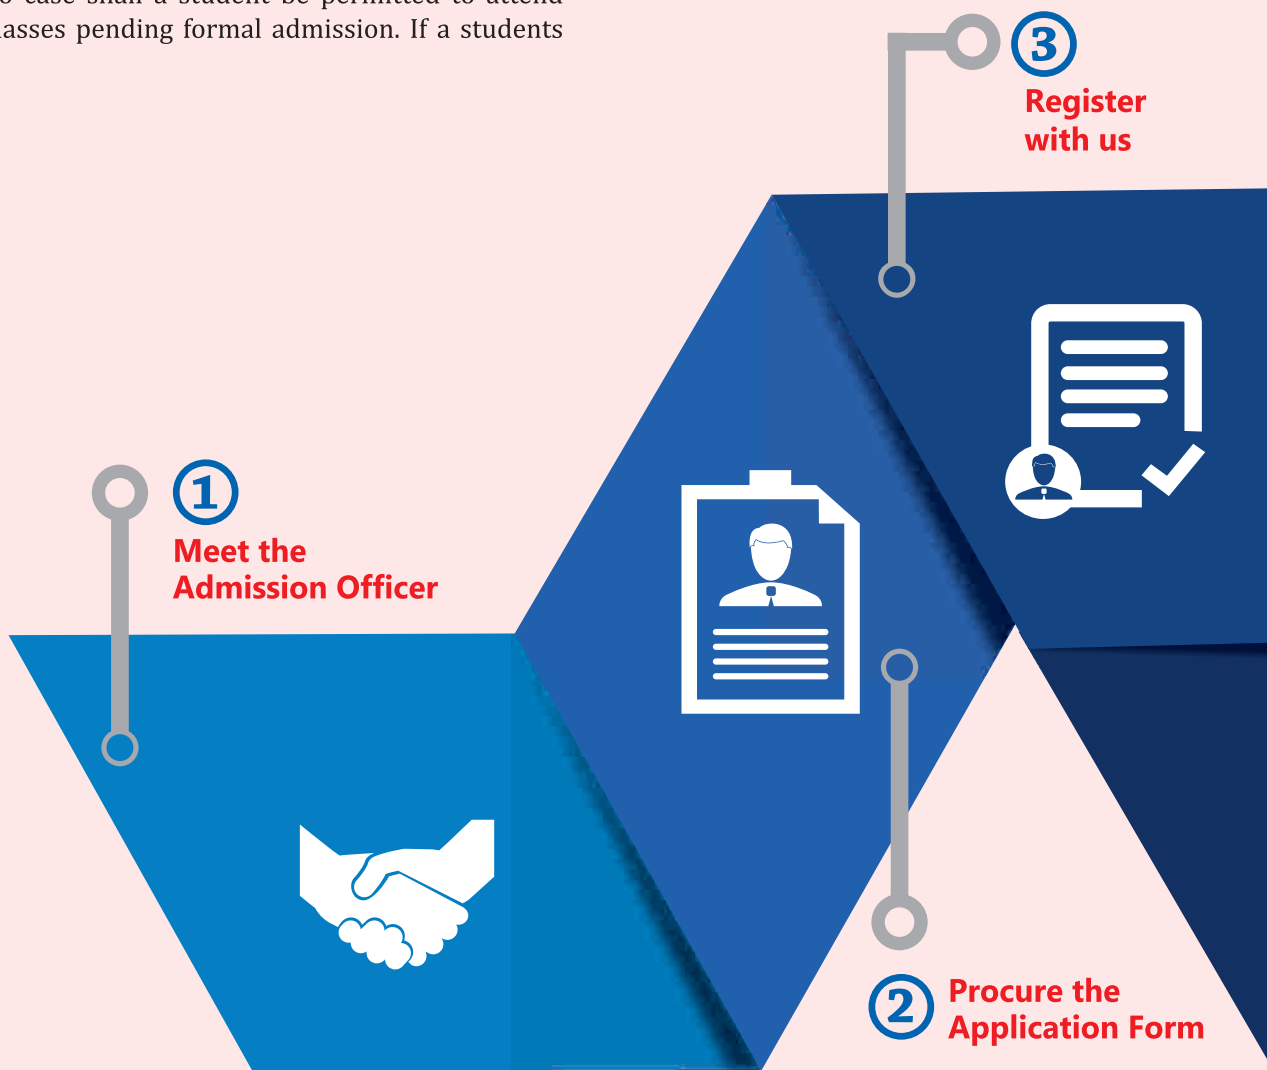

Evaluation

The academic year has been divided into 2 terms as per CBSE. It is compulsory to get minimum 'D' grade in oral and written examinations separately. It is compulsory to appear and pass (minimum 'D' grade) in all examinations and tests. Project work is compulsory for all subjects. The marks of project work & assignments are added in grand total. Besides Scholar badges are awarded to the Best student from each class monthly, on the basis of which the declaration of best student for the session is done. Similarly best teachers too are judged and appreciated.

Admission Procedure (FOR BOTH UNITS)

Admissions are purely based on merit. Admissions are sought through duly filled up registration cum admission form, which is to be submitted in the School Office on or before the specified date. As per Government Rules students above 5 years of age only will be admitted to Class 1st. For Higher Classes add one year for each class. No candidates will be admitted without a Transfer Certificate from the last school attended, countersigned by an appropriate authority and in no case shall a student be permitted to attend classes pending formal admission. If a student

comes from an unrecognized school he/she can be given provisional admission after Eligibility test subject to approval by the Education Department. The Transfer Certificate of a student coming from a school outside M.P. state must be countersigned by the educational authorities of the District in which the School is situated. In case of late admission of a student, the fee from the beginning of the First Term shall be charged unless otherwise ordered by the Principal.

Instructions:

1. Registration fee is not refundable.
2. Registration form is not transferable.
3. For Current Passport Size Photographs.

Personal Interview**

Kindergarten Programme

Kindergarten or Pre-primary stage is the foundation of child's knowledge, skills and behaviour. The Kindergarten Programme inculcates in children the qualities of curiosity, exploration and discovery in a fun-filled, happy and safe learning environment.

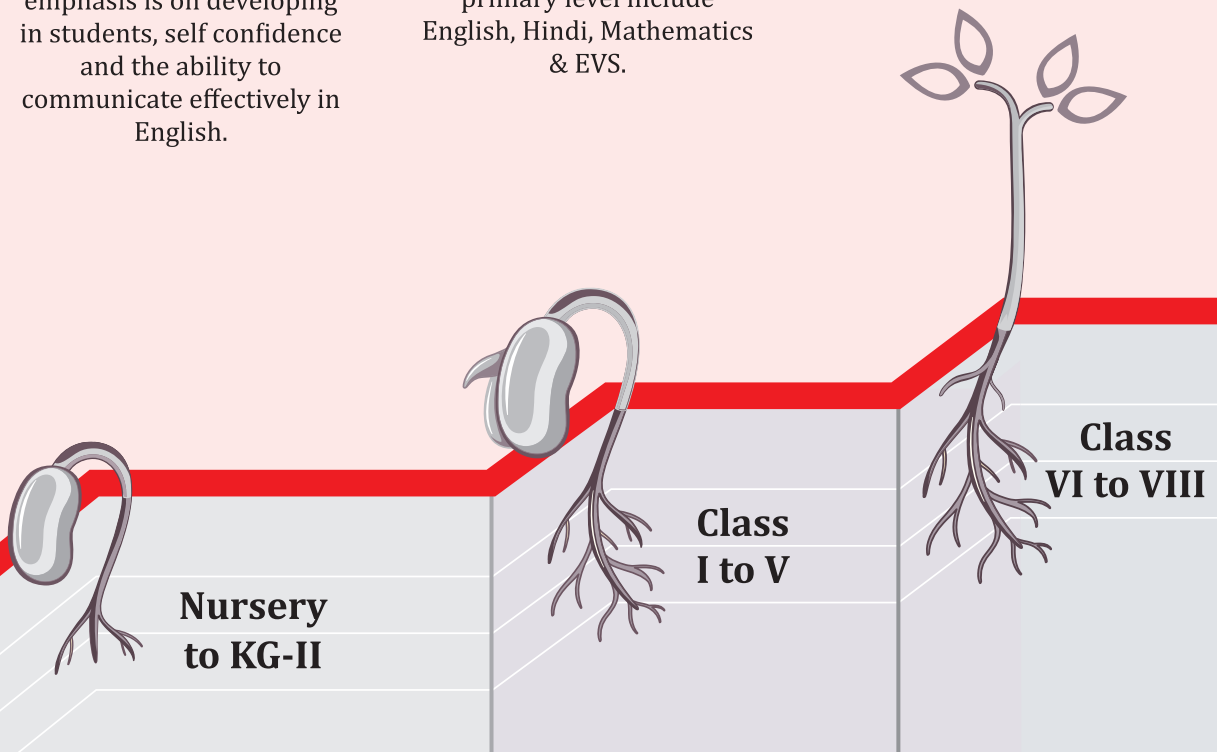

An individualised approach helps nurture a love of learning; develop social skills, and instil moral values. The emphasis is on developing in students, self confidence and the ability to communicate effectively in English.

Primary Education

Primary or Elementary Education starts right after Kindergarten, where students in classes I to V are introduced to academics and the world of learning beyond the classroom. The wide range of curricular and co-curricular opportunities offered helps instil in children confidence and discipline. The focus on developing communication skills helps them appreciate the value of education. The subjects taught at the primary level include English, Hindi, Mathematics & EVS.

Middle Education

The middle school is a smooth transition from Primary to High School. The middle school programme is structured to meet children's varied intellectual and developmental needs. The main aim of the programme is to develop skills related to writing, reading, reflecting, critical thinking, public speaking, fostering initiative among students and a desire to acquire knowledge. Field trips and excursions aid in developing social skills and in raising awareness about the world. The Language Lab and the Mathematics Lab help in an innovative manner to sustain the interest and to develop the language and the mental ability of the child.

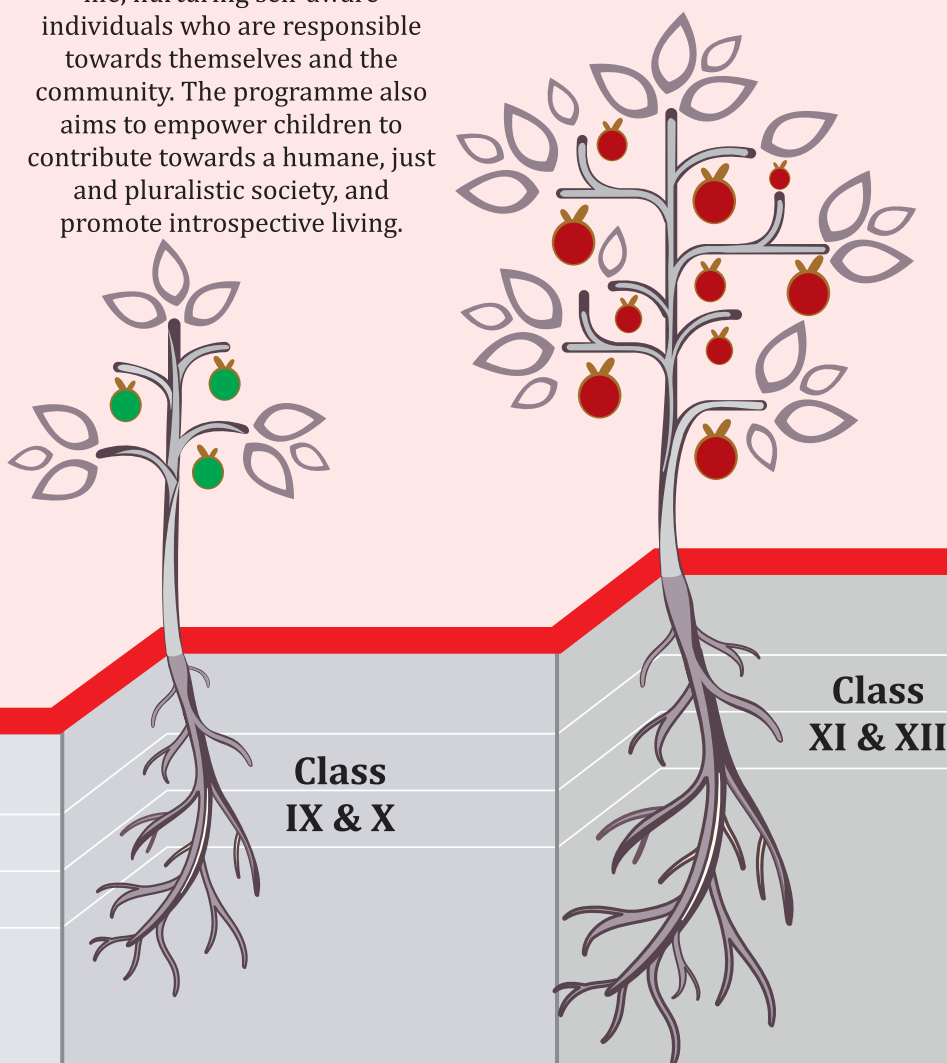

Secondary Education

The secondary school curriculum starts with an emphasis on learning basic facts and gradually moves to detailed understanding of concepts, through interpretation and evaluation, as students' progress to higher classes. It is built around the principles of knowledge, understanding, application and skill-sets. The co-curricular activities and service initiatives are integral to student life, nurturing self-aware individuals who are responsible towards themselves and the community. The programme also aims to empower children to contribute towards a humane, just and pluralistic society, and promote introspective living.

Senior Secondary Education

Ready to embark on an all new world, pupils by now have gathered enough confidence and knowledge about the self & the environment to make informed choices and decisions and judge right from wrong. At this level of education students have the freedom to choose their preferred stream and subjects. They can choose Commerce, Maths, Science, Computer and Physical Education.
